2019 marks the 58th anniversary of Walvis Bay Private High School. At WBPHS we encourage each learner to explore the values and ideals upon which this school is built. Together we have been able to make an enormous difference in ensuring the success of 2019 at WBPHS and keeping to the Mission of the school, while abiding by this year's theme. Let us continue with faith in our Heavenly Father, to reach for the Stars! We look forward to 2020 and we are excited to complete many more milestones. I do believe Walvis Bay Private High School looks forward to many more years of successful moments in Education, staying on par with development and technological changes and preparing our learners in the best possible way for the future.

ROOM EN SKUIM AFSLUITING

Graad 10 en 11 leerlinge vorm Hokkie-, Netbal- en Rugbyspanne, bekend as die "SKUIM" en die graad 12 leerlinge vorm die "Room" van hierdie sportkodes. Die spanne ding dan teen mekaar mee op 'n vriendskaplike wyse. Dit is elke jaar 'n groot hoogtepunt om die sportseisoen met baie pret af te sluit.

Don't let the ugly in others kill the beauty in you!

WORLD TEACHER'S DAY—5 OCTOBER 2019

I'm sure you will agree with me that teachers are the cornerstone of our education system. We are truly blessed to have a committed staff who face many challenges on a daily basis. Yet they rise above this and are always prepared to go the extra mile. I am incredibly grateful towards them for their support and dedication Let us not take our teachers for granted.

A great word of thank you to the Prefects of 2020 for initiating a special celebration in honour of world teachers day. The refreshments, small gifts and activity is much appreciated. Thank you to every learner who contributed towards the teachers' surprise with their contributions on Civvies' day

GRADE 6 CAMP GOANIKONTES: 17 & 18 OCTOBER 2019

Every year, WBPHS organises a Grade 6 camp in order to develop personal qualities and knowledge so as to become an effective Grade 7 learner. Furthermore, they learn how to work together as an effective team in 2020, use sound decision-making, demonstrate effective leadership skills, confidently and effectively speak in front of peers and other audiences, improving communication and developing skills to solve problems effectively.

This year's camp was filled with team-building fun conducted by our facilitator, Mrs Wilma de Wet. Thank you to Mrs de Wet! Both the register teachers, Mr Philip van Niekerk and Mrs Chantelle van der Westhuizen enjoyed the camp with their lovely learners, taking part in all the activities. Mrs Chrissi van Dyk, grade guardian organised the camp and was ready with band aid plasters for minor scratches obtained during the obstacle course. With the lovely weather of 35 degrees, she made sure that there was enough cold refreshments available.

One of the best parts of camping, night marches and working as a team, is that it brings many opportunities for us to get closer and make new friends.

We are all looking forward to the Grade 7 team in 2020 at WBPHS where we all believe, belong, become ...

GRADE 1-7 RECYCLING PROJECT: 18 OCTOBER 2019

On Friday 18 October 2019 the Primary Division of WBPHS gave learners from Grade 1 - 7 the opportunity to bring old newspapers, magazines and paper to school to be recycled. The response was overwhelming and we would like to say thank you to each parent and learner who contributed to this cause.

We would also like to congratulate the Grade 1's who brought in the most paper this time round! They will be rewarded by wearing civvies to school on the 23rd of October! Thank you for taking our hands to make our environment a better place!
