Iwann van Staden

DIE ORAKEL-KOERANTWERKSWINKEL

Verlag: Die Orakel-koerantwerkswinkel - deur Lieze-Mari van der Westhuizen

Op 18 Januarie 2019 het 27 redaksielede van ons skoolkoerant, *Die Orakel*, die geleentheid gekry om 'n koerantwerkswinkel, onder die leiding van juf. Bachmann, juf. Burger en Maurice Hinterholzer (ons hoofredakteur), by te woon.

Ons het mekaar en onself 'n bietjie beter leer ken, gewerk aan ons joernalistieke- en skryfvaardigheid, Duin 7 gaan klim én lekker geëet! Die werkswinkel het redaksielede laat voel soos ware verslaggewers!

“GUPPIES SPANBOUMIDDAG 2019

Dit was 'n besondere, aksiebelaaiete middag wat die gr. 8's nooit sal vergeet nie! Hulle het meer geleer oor mekaar en dat hulle mekaar kan vertrou. Iets wat die "Guppies" by oom André geleer het, is: "Respek is wedersyds; as jy dit van ander verwag, sal jy dit ook moet gee."

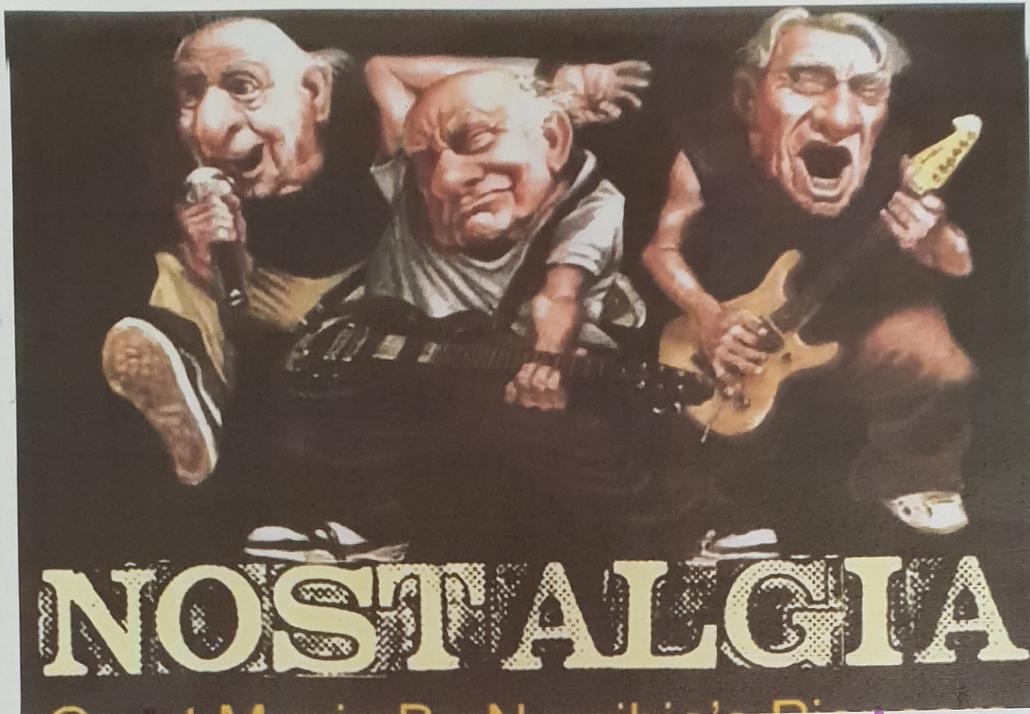

"Guppies" groei gees by soutpanduin—deur Michelle du Plessis.

Walvisbaai Privaat Hoërskool se graad 8's van 2019 het Woensdag, 24 Januarie 2019, na die duine by die soutwerke vertrek vir 'n spanboumiddag ter afsluiting van hulle oriëntering. Hierdie spanboumiddag is deur mnr. André Ross van "Ripples Adventures" aangebied.
